Re: Conditional Use Permit for Continuation of Beer & Wine Sales at Circle K Market, 3360 Olympic Blvd; ZA-2019-6849-CUB

Dear City Planning Commission:

On January 9, 2020, the Boyle Heights Neighborhood Council (BHNC) Planning and Land Use Committee voted to support the conditional use permit for continuation of beer and wine sales at Circle K Market, located at 3360 Olympic Blvd. Currently, the store sells alcohol during its regular business hours (7:00 AM – 11:00 PM on weekdays and until midnight on Friday & Saturday). The request is a renewal of their permit to sell beer and wine & expand their hours of operation to 24 hours, but only sell alcohol during their current business hours.

The convenience store is located near an industrial area where many workers likely have non-standard hours and could benefit from the market expanding their hours of operation. Additionally, there have been no violations under the current ownership. The committee also appreciates that steps will be taken to lock the alcohol coolers after 11:00 PM.

Please consider this letter of support for the conditional use permit. Thank you for your time, attention, and consideration.

Sincerely,

The Boyle Heights Neighborhood Council
Daniella Urbina, Planning and Land Use Committee Chair
