SECTION II - PROJECT DESCRIPTION

4) **Please describe the purpose and intent of the grant.**

Young people in California can preregister to vote when they turn 16. If preregistered, young people can vote as soon as they turn 18. Yet Los Angeles County has a preregistration rate below 15%. Many people do not know about the opportunity to preregister, and most high schools do not have effective programs to take advantage of the law.

This grant would be used to raise youth voter registration levels through our online workshops. Students can sign up for our week-long summer program, "Future Voters Action Week," where we teach high school students public narrative skills and how to run a voter registration drive in their community. We also run shorter workshops that focus on how to run a high school voter registration drive in California. This grant will help us train youth leaders in Boyle Heights. This grant will also help us boost the very low voter preregistration rate in Los Angeles County.

5) **How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)**

The low voter registration rate in L.A. County feeds into a cycle of low voter turnout and a disconnect between the next generation and our democratic system. Voting is crucial to preserve American democracy, and studies show that early outreach and connection to communities and peers is key to turning these trends around. By raising youth voter registration numbers, Boyle Heights has the potential to make a difference in strengthening our democracy.

Funds will be used to send postcards to families with 16-18-year-olds in the neighborhood advertising the program, social media ads to do the same, and for payroll to staff the program and facilitate the outreach. We also have an existing strong relationship with Students Run Los Angeles, a member of our coalition. SRLA supports marathon running programs in L.A. schools, and they have an existing network of teachers who we will contact to promote high school voter registration.
